Die *Empty.*

How to Do Your Best Work Every Day

Identify and overcome the seven "deadly sins" that stall great work, and unleash your best work every day.

THE BIG IDEA

> Even the most talented, ambitious people get stuck. Simply working harder doesn't guarantee results.

Creative problem solving can be a grind. Even the most talented leaders and creative pros can find themselves working hard but not achieving the results they want. That stagnation and loss of passion is frustrating and demoralizing, for individuals and organizations alike.

YOUR AUDIENCE WILL LEAVE WITH

01 How to identify and overcome the seven most common pitfalls that lead to stagnation

02 How to challenge assumptions and rediscover passion for brilliant work

03 How to navigate the natural phases of growth and overcome the fear of failure, and of success

WHO IT'S FOR

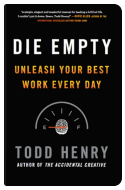

- People working hard but no longer seeing the results they want
- Teams feeling the drag of stagnation or lost passion
- Organizations ready to reignite drive across their teams

GUIDING PRINCIPLES

Define your battles
Counter aimlessness by choosing your goals wisely and building your life around them.

Be fiercely curious
Keep boredom from dulling your senses by approaching your work with curiosity.

Step out of your comfort zone
Make your contribution by embracing discomfort and lifelong growth.
