Todd Henry

KEYNOTE

The Brave *Habit.*

Leading with Courage in Uncertain Times

Cultivate a culture of bravery to confront uncertainty, achieve greatness, and inspire others.

THE BIG IDEA

> In a world of volatile uncertainty, bravery isn't just for heroes. It's a daily necessity for creative problem solvers, leaders, and organizations.

Organizations and society are crying out for courageous leadership in the face of uncertainty. Bravery is often associated with grand, heroic gestures, but true courage shows up in daily actions: confronting uncertainty, challenging conventional wisdom, and resolving conflicts.

YOUR AUDIENCE WILL LEAVE WITH

01 The two critical factors necessary for cultivating habitual bravery

02 How to confront uncertainty with clear, decisive action

03 How to build a culture of courage that drives innovation and strengthens relationships

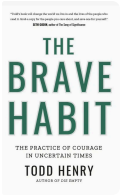

WHO IT'S FOR

- Leaders leading through uncertainty and change
- Teams that want to challenge norms and take smart risks
- Organizations ready to build a culture of courage, not just talk about one

THE TWO QUALITIES BEHIND BRAVE ACTION

Optimistic Vision
A clear, hopeful picture of a better future worth acting toward.

Agency
The belief that your actions can actually help bring that future about.

Based on The Brave Habit
Every keynote is customized for your audience and goals.

"Todd's presentation was both mind blowing and life changing!"
PACKAGED DESIGN CONFERENCE

EVERY SESSION INCLUDES

Up to two planning sessions to tailor it to your audience, plus PDF follow-up materials for participants.
