THE PERFECT BALANCE

Practical enough to use Monday.
Inspiring enough to remember for years.

Fresh ideas.
Frameworks drawn from twenty years of work with creative teams and leaders.

Energized teams.
Stories and humor that keep the room leaning in from the first minute to the last.

Deeper collaboration.
Shared language your people keep using long after the event ends.

THE BRILLIANCE ENGINE™

Brilliant work can feel accidental. You can make it inevitable.

Seven modules. One system for brilliant teams.

Every keynote and workshop is built on these gears. Mix and match modules to create a custom program around exactly what your people need.

KEYNOTE · WORKSHOP · NEW FOR 2026

The Infinite Lever

Discover the five-part framework for amplifying your work with AI while preserving your drive, motivation, and creative intuition.

THE BIG IDEA

"Give me a lever long enough and a fulcrum on which to place it, and I shall move the world." AI tools offer nearly infinite leverage. The opportunity is real, and so is the need for strategy.

Drawing on cognitive neuroscience, competitive strategy research, and decades of work with professionals across dozens of industries, this keynote introduces VERVE: five practical questions that help your team implement AI in a way that amplifies human capability rather than simply replacing it.

WHAT YOUR AUDIENCE WILL LEAVE WITH

01
How to leverage AI's power while protecting the experience that builds expert judgment

02
How to protect the friction that sparks innovation

03
How to preserve the contextual wisdom that creates sustainable competitive advantage

04
How to strengthen the uniquely human qualities that make them irreplaceable

WHO IT'S FOR

- ✓ Navigating how AI is changing their work and their teams
- ✓ Concerned that speed is replacing substance
- ✓ Committed to keeping their people sharp, valuable, and human

THE VERVE FRAMEWORK

KEYNOTE · WORKSHOP

Herding Tigers

Overcome the unique challenges of managing talented teams by becoming the leader creative people need.

THE BIG IDEA

High-performing creative teams require a unique leadership approach. Understand what talented, ambitious creative pros need, and you can unleash your team's full potential.

Assembling a team of top creative talent is just the beginning. The real challenge lies in leading and motivating these high performers to achieve extraordinary results. Many leaders struggle to harness the full potential of their teams, despite having all the right pieces in place.

WHAT YOUR AUDIENCE WILL LEAVE WITH

01
A clear understanding of the core needs of talented team members

02
Practical strategies for personalized and effective leadership

03
Techniques to foster creativity while maintaining productivity

04
Insights on self-leadership and its impact on team performance

WHO IT'S FOR

- Managing high-performing, creative individuals or teams
- Seeking to improve team motivation and productivity
- Struggling to harness the full potential of talented teams

INSIDE THE TALK

Lead by influence
Lead through influence instead of control.

Build a stable culture
Create stability that empowers bold creative risks.

Protect their focus
Fight for the time, energy, and resources your team needs.

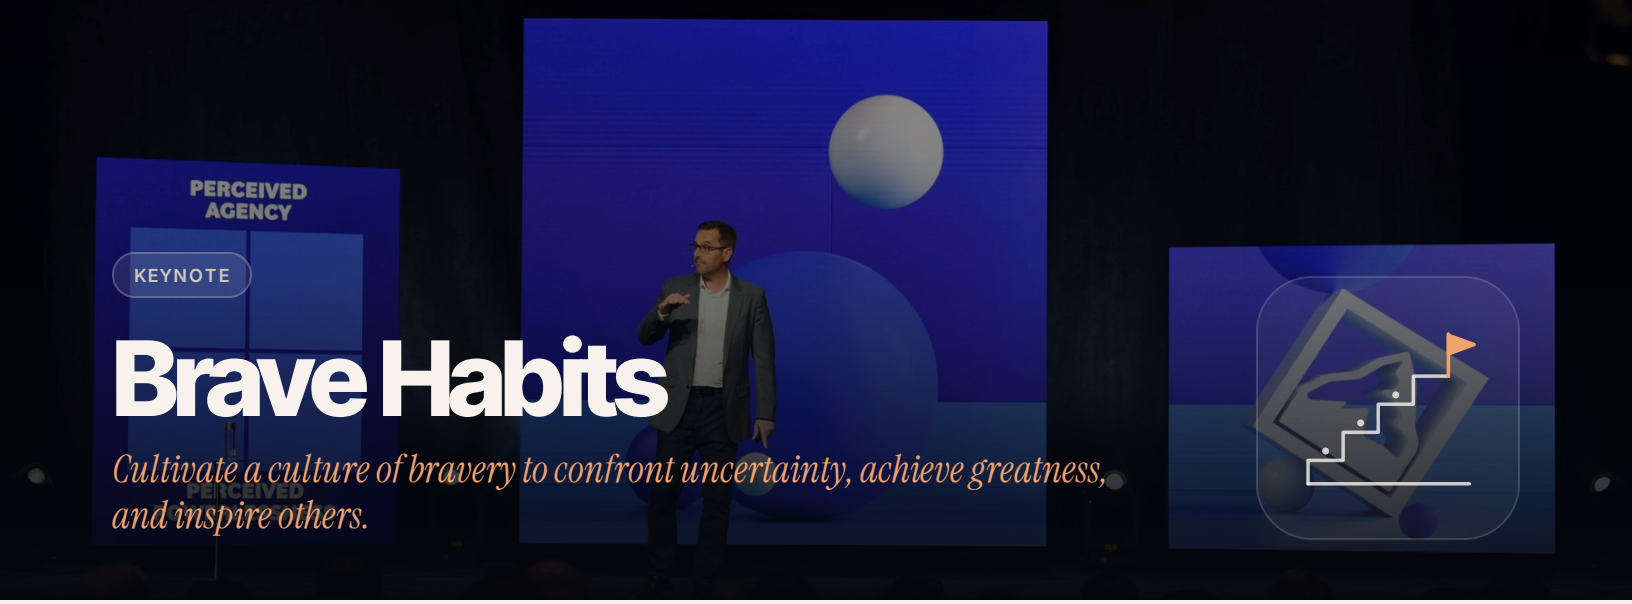

Lead yourself
Strengthen the self-leadership that drives team performance.

KEYNOTE

Brave Habits

Cultivate a culture of bravery to confront uncertainty, achieve greatness, and inspire others.

THE BIG IDEA

In a world of volatile uncertainty, bravery isn't just for heroes. It's a daily necessity for creative problem solvers, leaders, and organizations.

Organizations and society are crying out for courageous leadership in the face of uncertainty. Bravery is often associated with grand, heroic gestures, but true courage shows up in daily actions: confronting uncertainty, challenging conventional wisdom, and resolving conflicts.

WHAT YOUR AUDIENCE WILL LEAVE WITH

01
The two critical factors necessary for cultivating habitual bravery

02
How to confront uncertainty with clear, decisive action

03
How to build a culture of courage that drives innovation and strengthens relationships

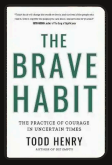

WHO IT'S FOR

- ✓ Leading through uncertainty and change
- ✓ Wanting teams that challenge norms and take smart risks
- ✓ Ready to build a culture of courage, not just talk about one

THE TWO QUALITIES BEHIND BRAVE ACTION

Optimistic Vision
A clear, hopeful picture of a better future worth acting toward.

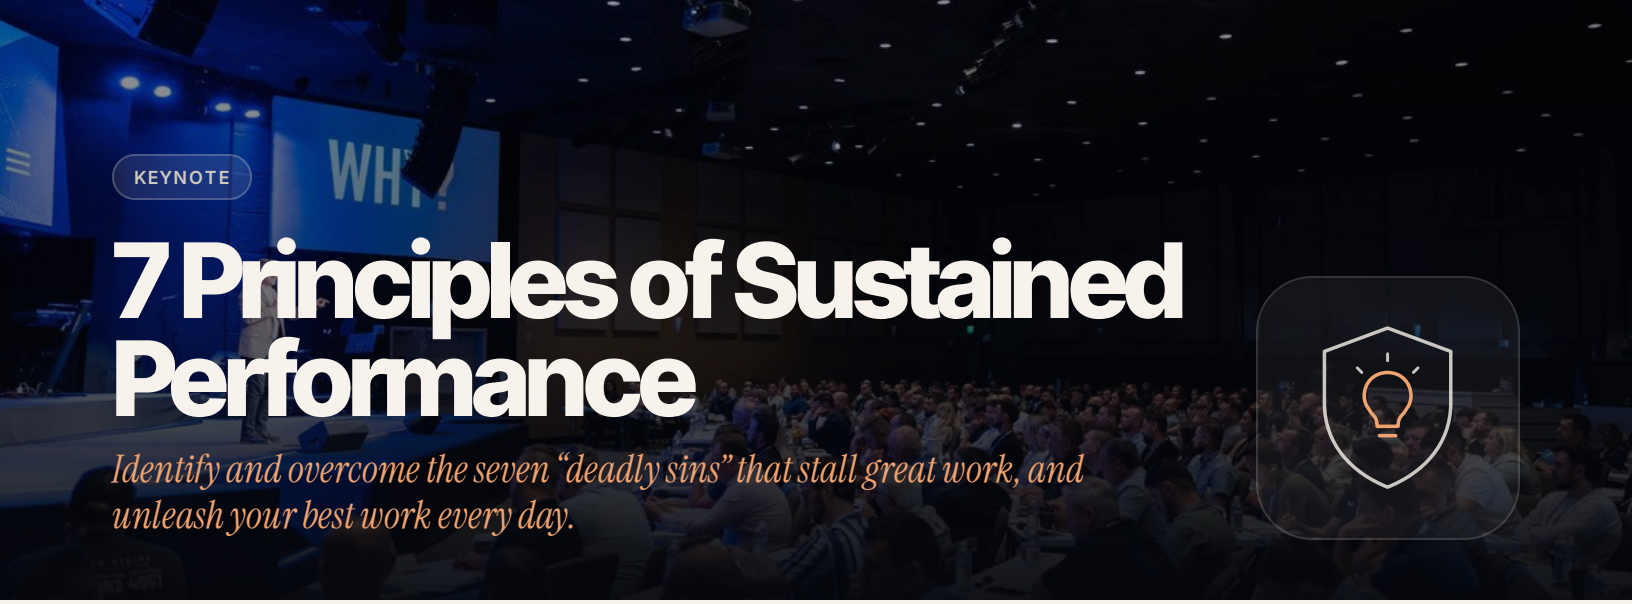

Agency
The belief that your actions can actually help bring that future about.

KEYNOTE

7 Principles of Sustained Performance

Identify and overcome the seven "deadly sins" that stall great work, and unleash your best work every day.

THE BIG IDEA

Even the most talented, ambitious people get stuck. Simply working harder doesn't guarantee results.

Creative problem solving can be a grind. Even the most talented leaders and creative pros can find themselves working hard but not achieving the results they want. That stagnation and loss of passion is frustrating and demoralizing, for individuals and organizations alike.

WHAT YOUR AUDIENCE WILL LEAVE WITH

01
How to identify and overcome the seven most common pitfalls that lead to stagnation

02
How to challenge assumptions and rediscover passion for brilliant work

03
How to navigate the natural phases of growth and overcome the fear of failure, and of success

WHO IT'S FOR

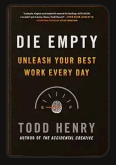

- Working hard but no longer seeing the results they want
- Feeling the drag of stagnation or lost passion
- Ready to reignite drive across their team

GUIDING PRINCIPLES

Define your battles
Counter aimlessness by choosing your goals wisely and building your life around them.

Be fiercely curious
Keep boredom from dulling your senses by approaching your work with curiosity.

Step out of your comfort zone
Make your contribution by embracing discomfort and lifelong growth.
